# A-Z of School Information

## Administration Office

The school's Administration Office is located in the administration block and is open from 7.45am to 3.00pm. The student counter at the back of the Administration Office is available to students before school, at recess and at lunch.

## Assemblies

Assemblies are conducted in Week 5 and Week 10 at 11am in the Primary Hall. Reports on various school activities, award presentations and class items are regular features at assemblies. Parents are welcome to attend assemblies. Class teachers will notify parents when their child is part of a class item.

## Attendance

Regular attendance at school is essential to gain maximum benefit from schooling.

Any absence from school must be explained. Students who have been absent must bring a note from home on the first day they return to school.

Notes are given to the teacher when the roll is marked in the morning. Notes should include the following information:

- Student's full name
- Class
- Date(s) of absence
- Reason for absence
- Signature of parent/guardian

**SMS** messages are frequently sent to advise parents if students are absent or late to school. You can reply to these messages to provide an explanation.

When absences remain unexplained they are recorded as such on the student's record. The Home/School Liaison Officer at the school may be informed if absences remain unexplained. **If a student is going to be absent for five days or more eg family holiday, an application for extended leave must be completed at the office before the student's absence begins.** Please see our office or website for a copy of this form.

## Awards

There are a number of award systems operating in our school. These recognise such things as class work, behaviour, good deeds and participation in school activities and events.

### Our Award System – Commendations, Community Spirit, Values

- 5 Commendations / Community Spirit Awards = Bronze Award
- Class Excellence awards = 1 Bronze Award
- 3 Bronze Awards = Silver Award
- 3 Silver Awards + Participation in extra-curricular school activities + participation in a community event = Gold Award
- Home Reading Awards – 50, 100, 150, 200 nights Home Reading

## **Banned Items**

These are some items that, for health and safety reasons, are not allowed at school. At present this list includes:

- mobile phones, iPod, disc players, etc.
- chewing gum
- glass bottles and cans
- liquid paper
- metal rulers

## **Buddy System**

In Term 4, Year 5 students are trained to become Kindergarten 'buddies'. Kindergarten students are allocated one or two buddies. The older students work towards supporting new students have a happy, stress free start to school and are available to assist in any way that is of benefit to the younger students.

## **Buses (Opal Cards)**

All students who catch buses are required to have an Opal Card. Information about Opal cards is available online at [transportnsw.info/school-students](http://transportnsw.info/school-students) or phone 131 500.

Good behaviour on buses is essential. Students who misbehave may have their Opal Cards suspended. It is a good idea to have a plastic Opal card holder, which displays the Opal Card, attached to your student's school bag. Please visit the Busways website for timetables.

## **Canteen**

Recess and Lunch can be ordered from the High School canteen daily. Orders are collected from the classroom first thing each morning and delivered back to the classroom at break times. Orders need to be written on a paper bag and the correct money placed inside the bag, if making a cash order.

The Primary canteen is open most recess and lunch times. This is mainly for drinks, ice blocks and snacks. All other items must be ordered.

Alternatively, Recess and Lunch orders can be placed online using the School Shop Online ordering system. Visit [www.schoolshoponline.net.au](http://www.schoolshoponline.net.au) for more information.

Up-to-date canteen menus are available under the P&C tab on the website

<http://www.wadalba-c.schools.nsw.edu.au>

**Volunteer helpers are always needed to assist at the canteen at recess and lunch. Please contact the canteen on 4356 2888 if you can help.**

## **Class Dojo**

We use a digital platform called ClassDojo to communicate directly with parents. Parents and carers are able to join ClassDojo and use either the app (Android or iOS) or website to communicate with the teacher. The app is very useful as it sends you notifications if the teacher sends you a message. All messages sent and received by staff are secure and only accessible to you. Details about how to connect to your child's account will be sent home by your child's classroom teacher. Please note: any absence notifications or urgent messages (such as changes to pickup arrangements) need to be communicated via the school office as teachers will not always be able to check ClassDojo though out the day. Similarly, teachers will only respond to messages outside of business hours at their discretion.

## **Class Requisites**

Separate lists for each year/class will be issued at the beginning of each school year to advise parents/carers what is required. These lists are also available on our website.

## **Clinic-Illness and Emergencies**

The clinic is supervised by a staff member with a current First Aid Certificate. Students who are injured or ill are sent to the office. Parents are notified if the injury/illness is serious, otherwise the student is treated and sent back to class.

It is vital that contact between the school and parent(s) is continuously available. **Please inform the office of any change of address and/or contact numbers.**

## **Drop off/ Pick Up**

Thank you to all the parents/carers for remaining under/ near COLA in afternoons. As you can understand this is a busy time when students and teachers are packing up, handing out notes and giving information for the following day. When children see and hear family and friends outside they are often distracted which makes this a much longer process. There is no supervision for students before 8:15am each morning. Please do not send your child to school earlier than this. Students that arrive before this time are to sit on the seats and wait for the bell when supervision is provided. Please be sure to pick your child up at 2:30pm if they are not walking or catching the bus.

## **Excursions**

These are a valuable part of the school's program and occur to support classroom programs. Sometimes students are taken out of the school, and on other occasions performances are held at the school. Stage 3 students' excursions may include overnight trips.

A permission note for each excursion is sent to parents specifying travel, departure and return times, cost and other relevant details including medical details form. School uniform is to be worn on excursions, unless otherwise indicated. Please pay and return the excursion permission note by the due date as students cannot attend an excursion without a completed permission note. As numbers are sometimes limited, payment and return of permission notes by the due date secures a position.

## **Facebook**

Like the Wadalba Facebook page for updates throughout the day, reminders or event and important school information. Even if you are not a member of Facebook you can still visit the page at: <http://www.facebook.com/WadalbaCommunitySchool/>

## **Fruit Break**

This is a set break (around 9:30am) where students stop work and 're-fuel' with a small piece of fruit or vegetables. It has been shown that having this time for students to eat fruit or vegetables assists with their physical and mental performance, and concentration. Those students who do not have a piece of fruit or vegetable continue with their school work.

Acceptable foods include all fresh fruit, fruit canned in water or juice with no added sugar, dried fruit in limited amounts (high sugar content) and vegetables. Further information can be found at [www.crunchandsip.com.au](http://www.crunchandsip.com.au).

## **Lateness to School / Leaving School Early**

It is important that students are on time each day as vital work may be missed if they are late. Students who arrive later than 8:30am must report to the office to obtain a 'late note'. This note should be shown to the class teacher upon entering the classroom then sent home with the student for an explanation and signature from the parent/carer. The completed late note should be returned to the classroom teacher on the next school day.

Students who need to leave the school for any reason must provide an explanatory note, written and signed by the parent/carer. Parents are required to report to the Admin Office to collect their children.

Parents are asked to arrange appointments (doctors, dentists, etc.) and activities outside of school hours wherever possible.

## **Library**

All students are able to borrow from the library. Classes have a library lesson once a week and students have access to the library at lunchtimes.

Students also have access to the library computers during these times. Students are required to bring a library bag/plastic bag from home in order to borrow.

## **Medication / Medical Conditions**

If your child needs to take prescribed medication at school the medication must be signed in at the office with an accompanying letter from your Doctor detailing your child's name, dosage and time for medication to be dispensed, along with and a signed "Request for Support at School" form. Parents/Carers or another nominated adult must bring the medication to school in a webster pack or the original box/packaging.

It is important that the school be aware of any conditions from which a student may suffer. Parents should notify the principal in writing of any condition such as diabetes, epilepsy, heart and respiratory complaints, asthma, hearing or sight difficulties, allergies, etc. so that special provisions can be made if required.

## **Mobile Phones**

Mobile phones are **NOT** permitted in Primary. If for some reason you require your child to carry a mobile phone, this will be kept by the classroom teacher during the school day.

Primary students are encouraged to leave phones at home, but if parents would like their child to have a phone for their journey to and from school, they must be handed to their classroom teacher at the beginning of the day to be stored, and they will be returned at the end of the day.

## No Animals on school grounds

Bringing dogs on to school grounds is prohibited by The NSW Companion Animals Act. It does not matter whether or not the dog is leashed, unleashed or carried, or whether the dog is considered a dangerous breed or not. Doing this could result in a fine for the person bringing the dog onto the grounds. We ask that all families refrain from bringing dogs into our school.

## No Smoking

It is Department of Education Policy that smoking is **NOT PERMITTED** inside the school grounds and buildings or within **four metres** of any entry or exit gate. Parents, carers and visitors are required to comply.

## Parent Portal

The Parent Portal provides both parents with individual information about their child's progress. Our Parent Portal can be found at: <https://wadalbacs.sentral.com.au/portal/login> First time users will need to register.

For help and support go to Parent Portal Support.

When you log into Parent Portal you will see reference to Positive referrals, Negative referrals and Data Entries. These are outlined in Primary as follows.

In Primary you will see:

- Positive referrals on the Parent Portal these will remain on zero. In Primary we do not use this as a way of recording positives for students as teachers use various methods within their class to acknowledge students.
- Negative referrals: You will be able to see the number of negative referrals that your child has. This is a record for teachers to monitor negative behaviours and relates to both classroom and playground behaviour.
- Data entries: These are a record of any parent contact or important information in regards to a child. Neither positive or negative this is simply a record of conversations or meetings that have taken place.

## Payments

- *Cash or Cheque.* Cash or Cheque payments for excursions, performances, book club etc. needs to be placed in a separate envelope for each student along with the permission note. Clearly mark with the students' full name, class, amount and item being paid. The envelope will be placed in their class "Money Bag" during roll call and sent to the office for receipting. Receipts will be returned to the students the following day.
- *EFTPOS.* In person at the front office.
- *Online.* Payments can also be made online via SchoolBytes. You [can set up a SchoolBytes Parent Portal Account](#) to [make a payment](#). Please see the Appendix at the end of this booklet for detailed instructions as to how to set up your SchoolBytes Parent Portal and How to Make a Payment. Alternatively, when you receive an emailed Statement or Permission Note, you can click on the link to make a payment.

## **Peer Support Program**

The Peer Support Program is a peer led, skills based program that provides students with a supportive learning environment in which to develop the understandings, attitudes, skills and strategies needed to contribute positively to society. Year 6 students, assisted by Year 5 students, act as leaders of groups of about 6 younger (K – 4) students. They follow a structured program that has been developed by the Peer Support Foundation.

## **Personal Belongings**

Please ensure all belongings are labeled with the child's name and class. This includes school bags, lunch boxes, all clothing, library bags and Home Reading folders. This greatly assists in identifying misplaced property and avoids wasting time searching / trying to recognise unmarked items. Please check the labels regularly to ensure they have not washed or worn off. Unlabeled property is placed in the 'Lost Property' bins (near the toilet block) and then sent to the clothing pool if it is not claimed after a period of time.

If your child brings something special for news it should be given to the teacher for safe keeping. The school cannot take responsibility for lost or broken toys.

## **School Development Days**

The first two days of Term 1, the first day of Term 2 and 3 and the last day of Term 4 are set aside by the Department of Education for staff to work together on planning aspects of the school's program. Students do not attend school on these days.

## **School Communications**

- Notes are sent home to inform parents of special events.
- A Primary Newsletter is posted on the website and emailed fortnightly. This contains school news, a calendar of events and other items of interest.
- Information can also be found on Wadalba Community School's Facebook page.
- Parent information sessions are held from time to time to discuss specific issues relevant to different groups.
- Stage based "Meet the Teacher" nights are held at the start of the year.
- Parents receive formal student reports at the end of each semester. Parent/teacher interviews are held after school reports have been distributed – early Term 3.
- Primary teachers are usually in their rooms before and after school for varying periods of time. Teachers are unable to speak to parents during class time. If you wish to see a teacher, please contact the school to arrange a time.
- Parents are encouraged to contact the school to discuss concerns or raise questions relating to their child when the need arises.
- School Bytes is a software program used to email parents/carers information and forms, please ensure your current email address is on file to enable you to receive valuable information this way.

## **School Contribution**

The voluntary school contribution is \$40. Revenue raised from school contributions is used to provide classroom resources. Please see the "payments" section for the various payment options available.

## School Website

Please visit the Primary section of our school website for lots of useful information about our school, events and your child's education and wellbeing. Many of your questions can often be answered by visiting our website.

<http://www.wadalba-c.schools.nsw.edu.au>

## Student Leadership Team

Student involvement and participation is an important element of the school's management plan and to this end we have an enthusiastic Student Leadership team selected from Years 5 –12. The group meets regularly under the guidance of the teacher in charge of the Student Leadership team. This team is involved in fund-raising activities, committee membership and decision-making processes in the school.

## School Photographs

Class and individual photographs are taken each year (usually in Term 1). Photographs are pre- paid online. Dates and more information will be provided at the start of each year.

## Sport

In addition to the class program of fitness, movement and minor games, all classes participate in organised sport activities. Sports uniform is worn on these days. Your child's teacher will advise you of their sports day.

- ❖ Swimming Carnival - Early in Term 1 for students 8 years and older.
- ❖ Cross Country Carnival - Term 2 all students K – 6 participate
- ❖ Athletics Carnival - Term 3 for all students 8 years and older. Ages 5-7 participate in a sports day.

From these carnivals students in Years 3 – 6 may be selected to represent the school at zone and higher levels.

## Wadalba Cup

Students are put into the following 'house' groups. Family names beginning with the letters:

**A – D Thorpe (blue)**  
**L – R Hall (red)**

**E – K Bradman (green)**  
**S – Z Freeman (yellow)**

Students may wear a plain polo or t-shirt in the house colour, with their normal sports shorts, at the swimming, cross country and athletics carnivals. Students can also earn points during various 'blitzes' throughout the year. The winning house each term will receive a reward, and the house with the most points at the end of the year will be invited on a special rewards excursion.

## Uniform

The Wadalba School Community strongly supports the wearing of school uniform. School uniforms instill a sense of belonging, make the school visible in the local community and ensure a safer playground environment. Parents are asked to ensure that their children wear the appropriate uniform each day. Uniforms are available at the school uniform shop.

**Hats are a part of the school uniform. Students need to have their hats every day.** (Please make sure the hat has the name and class marked clearly.

**NB: In the interest of health and safety and to help prevent the spread of head lice students with long hair are asked to wear it tied back while at school.**

School Uniform checks are a daily part of school routine.

## **Uniform Continued**

Uniform items can be purchased from the Uniform Shop located near the High School Canteen Monday and Tuesday between the hours of 8:00am and 9:00am. Students are able to purchase uniforms 10 minutes before the end of Recess and Lunch.

Access to the Uniform Shop is via the Community Centre (top) car park off Van Stappen Road. During Uniform Shop hours (8:00am and 9:00am Monday and Tuesday) please ring the doorbell located on the fence near the gate to notify the Canteen staff to come and meet you at the gate. Alternately you may contact the school on 4356 2888.

To be eligible for a refund or exchange, all returns need to be returned in original condition, unworn and unwashed, with the receipt included.

Please ensure all items of clothing are clearly labelled with your child's name.

Do not iron embroidery or printing. High temperatures will burn the thread on embroidery and may smudge printing. Always read garment care label before first wash.

Further uniform enquiries can be directed to our Canteen Manager on 4356 2888.

**At the end of the January Holiday period, the Uniform Shop will also operate at the following days and times:**

<b>Wednesday 24 January 2024</b>	9:30am – 5:30pm
<b>Thursday 25 January 2024</b>	9:00am – 2:00pm

# Helping at School

During your child's years at school there will be many opportunities for you to become involved in school life. If you do assist at school in any way you are required to enquire at the school Administration Office and complete the following:

- Complete a '**WWCC Declaration for Volunteers and Contractors**' (Appendix 5)
- **Provide 100 points of ID** - ie. Drivers Licence, Medicare Card, Passport or Birth Certificate
- Undertake a '**Work Health and Safety**' WCS induction

If at any time you are required to transport students you will also need to provide a copy of:

- **Current Drivers Licence**
- **Current Vehicle Registration**
- **Current Comprehensive Vehicle Insurance**
- **Permission letter from the parent/carer of student(s) being transported.** The teacher organising the excursion will collect these.

**Please Note:** When helping during the school day, at every visit you will be required to sign ON and OFF the Visitors Register at reception and receive a visitor's badge before coming on premises. This is for your own protection (should you have an accident or the school be evacuated or locked down during your visit) and for the safety of all students in the school

The benefits of helping in your child's classroom (if you are available) are many, but most importantly it helps to bridge the gap between home and school. Assisting in the classroom will also help you to understand the learning processes and activities in which your child is involved.

Activities which you could be involved include:

- ❖ listening to students read
- ❖ assisting with groups
- ❖ assisting with gross motor activities.

No prior knowledge or skill is required as the teacher will discuss the activity with you before you begin.

## P & C Support

The P & C meets regularly throughout the year. All parents are welcome to attend these meetings. This association is a vital component of the school community. Meetings offer an opportunity to meet other parents and participate in projects of importance to the school. Help is always welcomed when fund raising events occur. Meetings are held online once per term and the link is sent out to all families the week before via email so you can join in at home!

# The Curriculum

Teaching and learning in the primary years, as well as assessing and reporting student achievement, is based on the learning outcomes and curriculum content specified for each key learning area (KLA).

The **Key Learning Areas** (KLAs) of the primary curriculum are:

- **English**
- **Mathematics**
- **Science and Technology**
- **History**
- **Geography**
- **Creative and Practical Arts**
- **Personal Development, Health and Physical Education**

Teachers design learning experiences to help students achieve the syllabus outcomes which are described in stages. The following relate to the years of primary schooling:

**Early Stage 1 – Kindergarten**

**Stage 2 – Years 3 and 4**

**Stage 1 – Years 1 and 2**

**Stage 3 – Years 5 and 6**

Within this framework, teachers take account of the needs of individual students to ensure that they achieve their potential.

The syllabus documents can be found at <http://syllabus.nesa.nsw.edu.au>.

# Approaching Your School

From time to time parents may need to contact the school in order to:

- discuss the progress or welfare of their child
- express concerns about actions of another student
- enquire about school policy or practice
- seek information about the actions of a member of staff

It is necessary to have procedures in place that will help to solve problems as soon as possible.

The following guidelines aim to:

- provide a guide in order that concerns are dealt with in an open and fair manner
- ensure that the rights of students, teachers and parents are respected and upheld
- support sensitivity and confidentiality
- help reach an agreed solution
- address emergent issues within a realistic timeframe

CONCERN	APPROPRIATE ACTION
<b>The academic progress of own child</b>	<ul style="list-style-type: none"> <li>• Contact the child's teacher either by note, by phone, by class Dojo or in person to arrange a mutually suitable time to discuss the issues. (Teachers are unavailable once the morning bell has rung and students are entering classes.)</li> </ul>
<b>The welfare of own child</b>	<ul style="list-style-type: none"> <li>• For minor issues directly contact your child's teacher to clarify information</li> <li>• For more serious concerns, contact the school's office. State the nature of the concern and arrange a mutually suitable time to talk with the class teacher or an appropriate staff member.</li> <li>• When informing the school about a change of address, telephone number, emergency contact, custody details, health issues etc. please contact the school office.</li> </ul>
<b>Actions of other students</b>	<ul style="list-style-type: none"> <li>• Contact the class teacher for a classroom problem.</li> <li>• Contact an assistant principal or deputy principal for playground problems.</li> </ul>
<b>School Policy or Practice</b>	<ul style="list-style-type: none"> <li>• Contact the school's office. State the nature of the concern and make a mutually convenient appointment to see the principal, deputy principal and/or appropriate member of staff.</li> </ul>
<b>Actions of a Staff Member</b>	<ul style="list-style-type: none"> <li>• Contact the office and state concerns to a member of the school executive or principal.</li> <li>• Arrange to meet directly with the principal and if appropriate, the staff member concerned.</li> </ul>

The home/school relationships nurtured and expected within the Wadalba Community School community are respectful, professional and mutually supportive. If a situation becomes unacceptable and aggressive, threatening or if violent behaviours become apparent, the principal (or nominee) has the legal authority under the '**Inclosed Lands Act**' to:

- direct the person to immediately leave the grounds
- call the police to remove the person should he/she refuse
- withdraw future permission (by letter) for the person to enter the grounds without permission of the principal
- seek further legal avenues

**N.B. It is never appropriate for any parent to directly approach another person's child while at school to discuss a concern.**

**At school every child has the right to feel safe and protected.**

Last updated: August 23, 2023

School Bytes provides a parent portal to help your school communicate with you.

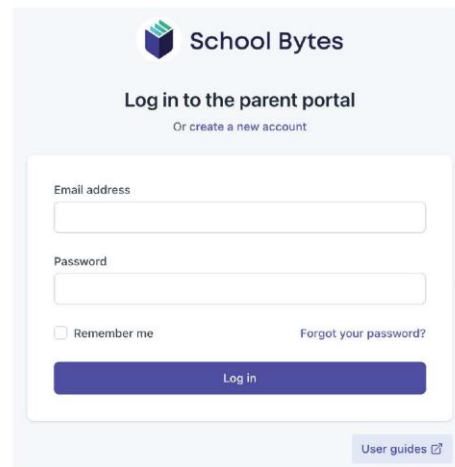

Your school may use the parent portal for various things, including online permission notes, attendance, and payments, which can be accessed via a secure link. The School Bytes parent portal enables you to view all your children in one portal and process payments for multiple siblings in one transaction.

**IMPORTANT:** To ensure that the registration process works smoothly and you can link your account to your child(ren), make sure that you use the same email address that you have provided to the school or if using a different email address, an SMS verification code will be sent to the mobile phone number on record for you at the school.

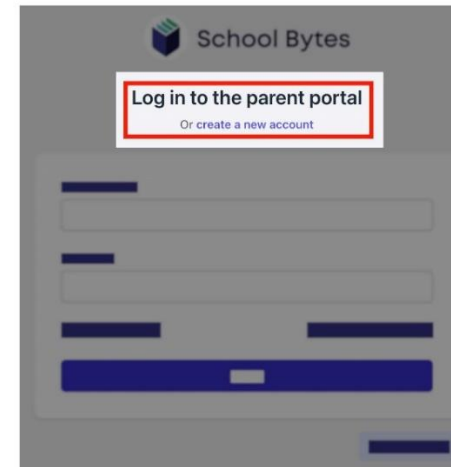

To set up your parent portal, follow the steps below:

#### Detailed steps

1. Open the parent portal link – <https://portal.schoolbytes.education/auth/login>

2. Select the create a new account link.

3. Enter your first name as it appears on your student's profile at the school.

4. Enter your last name as it appears on your student's profile at the school.

5. Enter the email address that you use for school communication.

6. Enter a password.

7. Confirm the password.

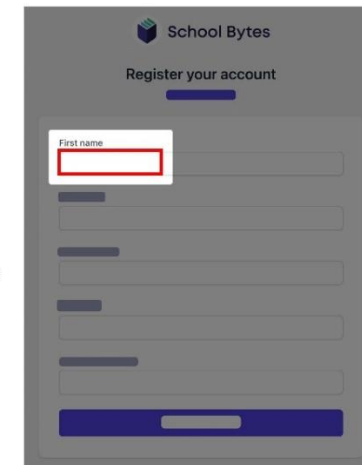

8. Select create account.

An email will be sent to the email address nominated so that you can verify your access to the email address.

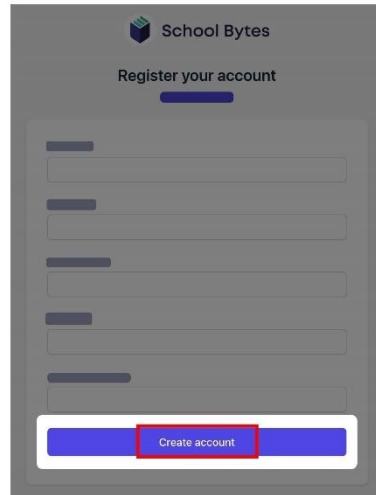

Once you have created your account, log in to the School Bytes parent portal.

You can now link your account to all students in schools that use the School Bytes platform.

When linking a student, the system automatically matches the data you provided with details stored on the student's school profile.

**1. Select link other student.**
