Application for Targeted Sports Program 2020

Conditions of Enrolment

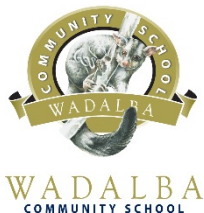

To qualify for selection into the Wadalba Community School Targeted Sports Program, a student must either live in the local drawing area or have been accepted as an out of zone application. The criteria for selection on merit in the Targeted Sports Program are:

- An outstanding sporting record or potential
- A sound academic record
- An excellent attitude towards school
- A sound student welfare record

Successful applicants are required to represent the school in any NSW CHSSA carnival, game or competition for which he/she is selected. It is compulsory that Targeted Sports Program students compete to the best of their ability at the school Athletics, Cross Country and Swimming carnivals and represent the school at Zone, Regional and State level if selected.

Students may be interviewed and/or photographed by the media throughout the year. Wadalba Community School is proud of the achievements of their students and these may be celebrated in print and/or electronic forms of publication. Parents are expected to grant approval for such media appearances.

Students who are selected into the Targeted Sports Program are required to pay an annual fee of \$200. This covers the costs of coaching, equipment, excursions and weekly sporting costs. Fees are kept to a minimum by the school providing qualified teacher/coaches who volunteer their time and work with development officers from the various sporting associations. Additional costs will be incurred if students travel on overnight excursions and if students wish to purchase a TSP uniform. Fees are not a voluntary contribution and students who do not pay fees will unfortunately be removed from the program. If you have difficulties paying these fees, assistance is available and part payment options can be arranged by contacting the schools administration staff.
