

4M

Term 4 Report

Where has the year gone? We have had a very busy term with plenty of results of which to be proud. Term 4 saw an array of assessments and the students worked very hard in every KLA. I am very proud of the way students have applied themselves to reading groups and the enthusiasm shown during maths.

We were fortunate enough to have a SMART Board installed in our classroom and the students have enjoyed the many interactive lessons that are available. One of the favourite games played in maths has been TutPup. This maths orientated website gives the students a chance to interact and play against other students from around the world. We have some very clever cookies in 4M. Some students have set some excellent records in the last few weeks that will be very hard to beat.

Term 4 showed that the students have formed a wonderful bond with each other and that they are willing to work together to achieve something. Whether it was the Cake Stall or the Assembly performance they showed a great deal of pride and enthusiasm. I am extremely proud of all of my students and they have made the year a memorable one.

Mr Jade McLachlan

Class Teacher

“My favourite things this year were Art, Cricket and Tutpup.”

Matthew Bull

“I enjoyed playing with my friends this year.”

Molly Couch

“I liked playing LMG sports against other schools and doing Art.” **Abby Bales**

“The best thing this year was learning more about Maths, Spelling and English. I really liked playing with my friends and doing Art.” **Ashton Rennie-Kay**

“When I found out I was in MrMcLachlan’s class I knew I would have fun learning.” **Clarisse Burlat**

“My favourite thing I did this year was soccer because I like scoring for my team and kicking the ball around.” **Ziggy Murray**

“I liked playing Tutpup and laughing at the funny things Mr McLachlan did.”

Ethan Davis

“I had fun playing LMG soccer this year”

Alex Waite

“I liked playing with my friends learning about Maths.” **Courtney Bunyan**

“Mr McLachlan is a funny teacher. My favourite subject was spelling.” **Tayhla Robinson**

“I enjoyed doing handwriting.” **Jessica McKenzie-Lamb**
