

5/6G

What's happened?

What a great 1st term we had!
Projects on Antarctica's wildlife
were absolutely awesome!
We learnt a lot about Antarctica
and really enjoyed the unit.

Homework

For homework we will be doing
research tasks on individual
countries. Spelling and home
reading is still a requirement,
and as always is due on
Thursdays!

Wrapped with love

A great big thankyou to all
those helpers who have been
madly knitting squares for our
blanket. My Nanna and Auntie
Merry have been very busy
sewing them together. So far we
have one completed blanket. Keep
the squares coming.

What's happening?

This term we are going on a
world trip looking at 11
different countries in a unit
called 'where in the world? So
far we have looked in our own
backyard and Japan. Next we
are off to America and then
England.

Our homework tasks are being
based around this unit so we
may need extra time on the
computers at home for some
research!

Literacy

We have a new book to dive into
called *Blueback* By Tim Winton. The
book has so far proved to be very
interesting with a close call for Abel
in the first chapter with a very large
blue groper.

We have yet to watch the DVD,
'How to Eat Fried Worms' and
are aiming to watch it towards the
end of the term!
