

5/6A Term 2 Report

On Monday the 3rd of May, a mix of Year sixes and Year fives went on a train to Civic Station to go to the Impact Student Leadership Conference. We learnt that everybody can be a leader and no one is a leader of everything. During the conference two of the presenters would come out and involve the group of 700 students in activities and games that dealt with aspects of leadership. They introduced themselves as “Loud Noises” and were really fun. At the first stage of the conference, we learnt how to work together. We also learnt about working in a team, thinking differently, developing ideas to impact our school and being a role model.

Together

Everybody

Achieves

More

We had great fun and learnt lots while we were there.

For some of us, it was our first train trip, which was quite exciting. We had an early start to the day, but it was well worth it.

We all hope to go again and learn some new things.

Walk Around Australia

Our walk around Australia is proceeding slowly. Our cross country, held in May, contributed many kilometres to our cause. Using the results from the whole school, we have now walked 340km, which would put us near Port Macquarie. We're finding this a little more difficult than we had anticipated when we started our journey. Stay tuned for our next update.

The first 5/6A runner on his last lap adding distance to our 'walk' around Australia.

Wrap with Love

We have been knitting and knitting and knitting and have produced one completed rug for 'Wrapp with Love'. Many thanks to all the extra support we are receiving from parents and caregivers.

Some happy knitters showing off the first completed rug.
