Interviews/ Meetings

You are invited to our first Parent/Teacher Interviews on:

Tuesday 6th March

- Bookings for timeslots will be through an online booking system. More details will be distributed soon.
- Outside of set parent interview nights, if you ever wish to request a meeting, these are best arranged at mutually convenient times and when I am class free.
- Casual interviews with me are respectfully discouraged while I have class responsibilities please.

Home Readers

- Regular reading at home has a huge positive impact on students' reading proficiency. Thus, we strongly encourage students to read each night.
- Your child is to bring their home reader in an A4 pencil case or folder each day in order to change it.
- Please listen to your child read each night and record the details on the home reading card.
- The books should be easy when reading at home. They read more difficult texts at school.

Homework

- Homework will be sent home fortnightly, four times per term. Homework tasks will include compulsory and optional activities designed to engage students in homework and give them choices over which activities they complete. While the expectation is that all students will complete homework, we do not want it to cause tension/stress so please speak to me if you have any questions or concerns.

Illnesses

- Please contact the school if your child has a highly contagious infection such as chicken pox, measles, whooping cough, swine flu or any other contagious illness.

Birthdays

- You may send birthday cakes to school but please ensure they are cupcakes or lolly bags. This is due to possible hygiene concerns and the class time that can be interrupted.

- Please ensure your child is able to tie their own shoelaces or wears shoes that they are able to put on themselves. Shoelaces should be black

Food Breaks

- We have fruit & vegetable break at around 9:30 each morning. Please send a piece of fruit or a chopped vegetable to eat at this time. During this time we take a break and read a story together. We have found this has had a very positive impact on student learning.
- At Wadalba we support healthy eating at school. Please ensure your child has food for recess and lunch each day.

Canteen

- Lunch orders can be placed in the lunch basket (in the classroom) each day Mon- Fri. You may also like to setup an account and order via the internet at www.flexischools.com.au . Our primary canteen is open at each day at recess and lunch.

Uniform

- Please ensure all school clothing is clearly labelled with your child's name. Black shoes must be worn unless there are special circumstances (a note must be provided). Sport shoes can be worn on Sport Days. Hats **MUST** be worn by all students as part of our Sun Safety Policy.
- Uniforms can also be ordered online at www.flexischools.com.au .

Drop Off/ Pick Up

- Thank you to all parents/ caregivers for remaining under/near COLA in afternoons. As you can understand this is a busy time when students and teachers are packing up, handing out notes and giving information for the following day. When children see and hear family and friends outside they are often distracted which makes this a much longer process.
- There is no supervision for students before 8:15am each morning. Please do not send your child to school earlier than this. Students that arrive before this time are to sit on the seats and wait for the bell when supervision is provided.
- Please be sure to pick your child up at 2:30pm if they are not walking or catching the bus.

Assembly

- Primary assembly is held every 2nd Friday starting at 1:30pm. Families are most welcome to attend whether or not it is our class on stage.

Sport- Term One

- Sport will be on **FRIDAY** each week.

Labels

- Please ensure that all of your children's belongings are clearly labelled. Though we do our best to prevent it, no responsibility will be taken by the school for lost items. All items found without labels can be claimed from lost property.

Classroom Helpers

- Please make sure you get a visitor's tag from the office before coming to the classroom. The office needs to know who is on the premises in case of emergency and to keep the students safe.
- Please use care with the other students as you would like others to treat your child.
- There are opportunities to assist in other areas of the school such as fundraising, canteen volunteers, book club, making costumes for performances and other areas as they arise throughout the year. Please let us know if you are interested so we can get the right people to contact you.

Our School Website

- Please visit the primary section of our school site for lots of useful information on our school, our events and your child's education and wellbeing. Many of your questions can often be answered by visiting our website.

- Bankbooks are collected in the mornings and processed by the banking ladies and returned when completed.

Library

- All students are able to borrow from the library (as long as they have a library bag).
- Classes have a library lesson once a week and students have access to the library most recesses and at lunchtimes. Students also have access to the library computers during these times.
- Our library day is **WEDNESDAY**

School communications

You can find out what is happening at school through the following ways:

- Notes are sent home to inform parents of special events.
- A school newsletter is placed on the website and emailed to parents/carers fortnightly. This contains school news, a calendar of events and other items of interest.
- Information can also be found on Wadalba Community School's Facebook page and website.
- Parent information sessions are held from time to time to discuss specific issues relevant to different groups.
- Parents receive formal student reports at the end of each semester.
- Primary teachers are usually in their rooms before and after school for varying periods of time. Teachers are unable to speak to parents during class time.
- Parents are encouraged to contact the school to discuss concerns or raise questions relating to their child when the need arises.

Class Dojo

- We use a digital platform called ClassDojo to reinforce classroom behaviour and to communicate directly with parents. Students earn points for demonstrating appropriate behaviour and occasionally lose a point as a reminder to correct an inappropriate behaviour. Parents and carers are able to join ClassDojo and use either the app (Android or iOS) or website to see how their children are going and to communicate with the teacher. The app is very useful as it sends you notifications when your child earns points or if the teacher sends you a message. Only you can see your child's points, no other parent will see your child's information. All and messages sent by staff or to staff are secure and only accessible to you.
- If you have connected to ClassDojo before you should soon be connected automatically to your child's new teacher. If you have not used it before or have another child starting school, details about how to connect to your child's account will be sent home. Please note: any absence notifications or urgent messages (such as changes to pickup arrangements) need to be communicated via the school office as teachers will not always be able to check ClassDojo throughout the day. Similarly, teachers will only respond to messages outside of business hours at their discretion.

School Office

- The school's office is located in the administration block and is open from 7.45am to 3.00pm.
- The office is available to students before school, at recess and at lunch.

Sport Groups

Students are put into the following sports' groups (houses). Family names beginning with the letters:

A – D Thorpe (blue)
E – K Bradman (green)
L – R Hall (red)
S – Z Freeman (yellow)

If you ever have any concerns about your child please feel free to contact me. You can call the office to make an appointment, message through Class Dojo or send a note with your child requesting a meeting or phone appointment. The education and wellbeing of your child is very important to me and we all play a part in helping them grow and learn.

I look forward to a wonderful year!

Regards,
Mrs Chloe Clarke
