Interviews/ Meetings

- We will be hosting a Parent Information Night on **Tuesday February 27th**. This will be a general information session where parents can meet the teachers and ask questions about school routines and learning. More information will be sent about this closer to the date.
- We will then have individual parent/ teacher interviews early in Term 3 after students receive their first report card. Families will be able to book timeslots online for this evening.
- Outside of set parent interview nights, if you ever wish to request a meeting, these are best arranged at mutually convenient times and when I am not on class. Send me a Class Dojo message if you need me to call you or to arrange a meeting.
- Casual interviews with me are respectfully discouraged while I have class responsibilities please.

WCS Class Information

- If I ever have concerns or questions about your child I will certainly be in touch either through Class Dojo, via phone or in person.

Homework and Home Reading

1) Reading: Read for at least 15 minutes each night. Regular reading at home has a huge positive impact on many aspects of student learning, beyond just literacy development. Stage 3 students can borrow home readers or library books, or read their own texts from home. We encourage students to fill out their home reading card to keep track and receive their certificates/rewards.

2) Literacy and Numeracy: Students will be provided with optional literacy and numeracy based activities or resource sheet each week. These activities will reinforce content and skills taught in class, and assist in consolidating strategies being worked on.

- **While the expectation is that all students will complete homework and home reading, we do not want it to cause tension/stress so please speak to me if you have any questions or concerns.**
